#### *Adaptor Kit—8-32 Rifle & 5-16 Shotgun Pack*

Want the lightning fast cleaning technology of Snap-Lock™ without giving up your traditional rods? Not a problem. Gunslick® has just made it possible to use their innovative Snap-Lock technology with existing rods. Simply twist on the rod adaptors and never screw attachments on and off ever again. It's the fastest—and easiest—way to change your cleaning tips.

#### Features & Benefits

- Snap-Lock adaptors easily connect to traditional rods
- Adaptor allows rods to be used with multiple components
- Quickly and effectively clean dirty barrels with less mess
- Faster—no more twisting and untwisting dirty attachments
- Available for both rifle and shotgun
