ACCESSORIES

R.A.S.S. Bench Accessories

Proclaimed the “Best of the Best” by Field & Stream®, and the recipient of Outdoor Life’s “Editor’s Choice” award, the R.A.S.S. Bench has become the new benchmark in shooting benches. Now you can rig up your R.A.S.S. with some of the best and most shooter-friendly accessories on the market. From a shade canopy and low back seat to a handy utility tray and optics holder, these new accessories make the R.A.S.S. Bench even more enjoyable to deploy in the field or at the range.

Features & Benefits

- Utility tray offers storage and features rapid detach clamp
- Low back seat features a vinyl wrapped, thick foam padded seat that provides lower back support and folds down to minimize storage space
- Beverage holder accommodates can, bottles and insulated beverage wraps
- Optics mount
 - ❖ can be placed on either side of R.A.S.S.
 - ❖ rapid adjustment for fast alignment of camera, spotting scope or rangefinder
 - ❖ standard ¼ -20 camera thread adaptor
 - ❖ lever locking handles
- Shade Canopy
 - ❖ delivers five foot diameter of sun-blocking shade
 - ❖ features articulating adjustment to provide shade from any angle
 - ❖ includes seat extension bar, leg tie-downs & spikes
