10/22 ACCESSORIES

10/22[®] Barrels

Trick out your 10/22[®] with a custom barrel from Shooters Ridge[®]. Available in either stainless steel or blued, these new barrels use Bentz Match Chambers, hydraulic carbide button pulled rifling and 1:16 right-hand twist to achieve ½" MOA groups at 50 yards (with match grade rimfire ammunition). Each barrel is 18" long and features recessed target crowns with 45° break for consistent bullet release and downrange accuracy. Piloted machined feed ramps ensure consistent feeding. Choose from either fluted or non-fluted options.

Features & Benefits

- 1/16" Right Hand Twist
- Bentz Match Chamber
- Hydraulic Carbide Button Pulled Rifling offers tight groove to land concentricity
- .920 18" 4140 Blued Steel
- .920 18" 416 Stainless Steel
- Six Precision Machined Flutes to enhance rigidity and harmonics
- Accuracy testing with match grade rimfire ammo achieves MOA ½" groups at 50 yards
- Recessed Target Crown with 45° break for consistent bullet release and accuracy
- Piloted machined Feed Ramp ensures consistent feeding
