## **2009 NEW PRODUCTS—Mid-Year**

### **10/22<sup>®</sup> MAGAZINES**

---

#### **Ruger<sup>®</sup> Black 10/22<sup>®</sup> Magazines**

Black is the new black when it comes to Ruger<sup>®</sup> 10/22<sup>®</sup> magazines from Shooters Ridge<sup>®</sup>. These new offerings—in 25-round, 30-round and 50-round—come with an all black magazine body and factory style headers that provide consistent feeding and ejection. Able to be used with the Shooters Ridge Magazine Loader, these hi-capacity magazines cut down on reloading time; letting shooters devote more time to shooting.

#### **Features & Benefits**

- High capacity cuts down on reloading time
- Use with Shooters Ridge Magazine Loader for fast magazine reloading
- Factory style header for consistent feeding and ejection
- Removable bottom panel for cleaning
- Constant force spring for easy loading and feeding first shot to last
